Power of Authenticity

Frost Supply an authorized Dealer of

Powering Business Worldwide

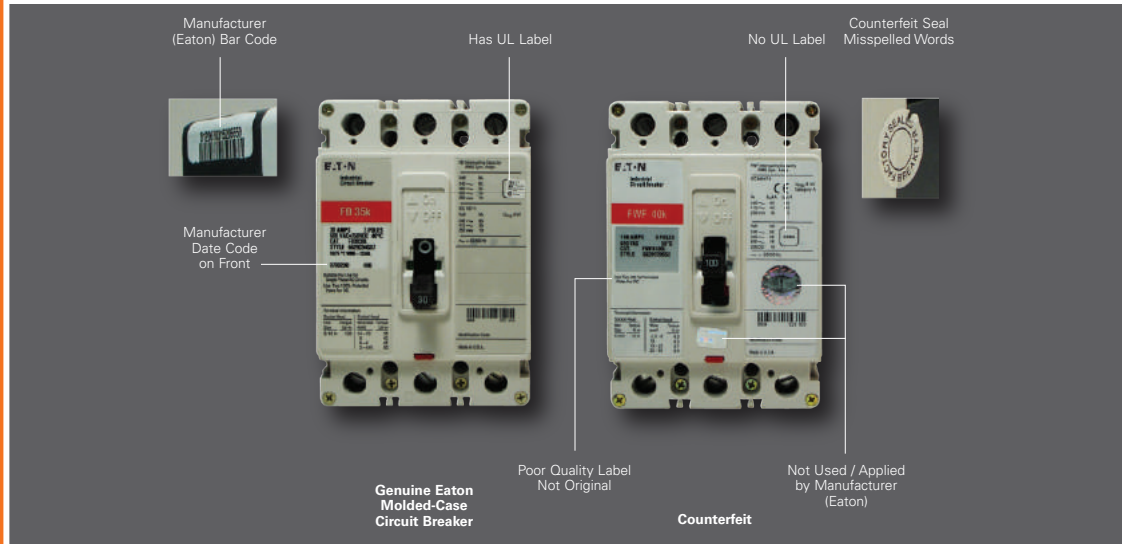

Buying breakers from unauthorized sources can jeopardize safety, and puts your employees, customers and your business at risk.

How to spot counterfeits?

- Missing date code
- Old date code
- Factory seals broken or removed
- Mislabeled products to change size/type
- Non-English text
- Missing UL Sticker
- Low-quality labeling and/or misspelled words
- Old Westinghouse or Challenger label
- Not in a carton or in old white cartons

Only authentic Eaton products are protected by:

- Approved Testing
- Complete Traceability
- Technical Support
- Official Warranty

Frost Supply has the Top Eaton breakers you need in stock and 24/7 service with our emergency pager!
